

## **PGDM International Business :**

### **Merit cum Means Scholarship**

**IILM College of Management Studies** has provision for financial assistance to deserving students, in the form of Merit-cum-Means Scholarships. As the name suggests these scholarships are given to selected students on merit-cum-means basis. The Scholarship Award Committee selects the candidates on the basis of pre-defined criteria of academic excellence and their financial means. Selected students are then interviewed. The continuance of the scholarship in the next term is based on the student's performance in the previous term.

**Please find below the Eligibility Criteria for shortlists students for the following scholarships:**
